Neumann, Koepp, Paulsen

Members Absent: Non-Absent

Others Present: Brad Marcouiller, Rick Torn

2.) Approve Minutes of October 17th, 2007

Motion by Amundson, seconded by Koepp to approve the minutes.

Unanimously Carried

3.) Mayville Engineering Corporation, 800 Horicon St., Tax Parcel 251-1216-2324-034. Recommendation from the Plan Commission to the Zoning Board of Appeals for a parking variance on Ewald St. The variance would allow parking perpendicular to the building that does not maintain an 8' setback from the right-of-way line, and extends over the right-of-way line. Reference Zoning Ord. 430-73.

A Motion by Anderson to allow parking perpendicular to the building that does not maintain an 8' setback from the right-of-way line, and extends over the right-of-way line, contingent upon receiving a hold harmless agreement from Mayville Engineering Corporation that they will be held responsible for any accidents that may occur within the right-of-way. Seconded by Amundson to allow for parking perpendicular to the building with the right-of-way.

Unanimously Carried

4.) Adjournment

Motion by Tomchek, seconded by Amundson to adjourn.

Unanimously Carried

Meeting Adjourned at 6:45pm

Brad Marcouiller – Building Inspector
