**[Amended 12-8-2008 by Ord. No. 1012-2008]**

A. Required. The owner, occupant or person in charge of every building, lot or part of a lot within the City fronting upon a public sidewalk shall remove all snow and ice from said sidewalk within 24 hours from the time the snow ceases to fall. Corner lot property owners and property owners adjacent to a public crosswalk shall be responsible for the removal of snow and ice at all public sidewalks serving such areas. When ice is formed on the sidewalk so that it cannot be removed, it shall be kept sprinkled with ashes, salt, sand or like abrasive material.

B. Deposit on streets prohibited. No person shall deposit or cause to be deposited any snow or ice upon any sidewalk, alley, parkway, fire hydrant, public place or street in the City; provided, however, that snow or ice removed from the sidewalk in front of or abutting any premises or the premises which abut such sidewalk may be deposited on the parkway and, in the event that there is no parkway, on the street fronting such premises prior to the snow or ice being plowed, windrowed and removed from the street by the City.

C. Removal by the City. If snow or ice is not removed from the sidewalks or sprinkled, as required by Subsection [A](#) above, or if snow or ice is deposited on any sidewalk, alley, parkway, fire hydrant, public place or street in the City in violation of Subsection [B](#) above, the property owner shall be issued a citation with no initial fine. All subsequent violations at the property during the current snow season will result in a fine of \$100. A door card will be placed at the property informing the property owner of the citation and that he or she must clear the snow or ice within 24 hours or be subject to additional costs for the City to remove it. The City may remove or cause to be removed all such snow or ice, and the person in charge of the premises from which the snow or ice was removed and so deposited shall be charged for the City cost of such removal. The cost of such removal shall be as established in the City of Mayville fee schedule. If not paid within 30 days, such charge shall be placed on the tax roll pursuant to §§ 66.0627, Wis. Stats.

D. Notices. By November 1 of each year the City shall publish in the official newspaper a notice informing the property owners of their responsibilities and shall include all of § [368-4](#). No individual notices will be sent out to property owners prior to issuing a citation or prior to removal of the snow or ice conditions by the City.
