Item #6– Monthly DPW Report.

A. Snow Operations Report.

There was a complaint regarding the timing of the snow removal on Main Street. The same trucks that salt and plow the streets also haul the snow from Main Street. All the trucks have to disengage the entire salter, dump all the salt out of the truck and change to a snow hauling operation. Residents have 24 hours to remove snow from sidewalks. Ordered 100 tons of salt which is the first order of the 1300 ton we are contracted for this year.

B. Brush Pick-Up Dates.

Started picking up Christmas trees curbside. The next brush pick-up date is Monday, January 25th.

C. Day to Day Operations.

DPW is re-lamping areas at the City Garage with more efficient lighting. Busy with flood control in the month of December. The river was very high and had to be monitored.

Item # 8 – Adjournment.

Motion by Ald. Boelk, second by Ald. Schmidt to adjourn at 7:27 p.m. Motion carried unanimously.

Darlene Smith, City Clerk
