A. No Report.

Item #8 – Discussion on posting temporary 20 mile per hour speed limit signs on S. John Street with possible action.

Chief MacNeill is opposed to this because he feels it will give citizens a false sense of security. In order to reduce the speed limit less than 20 mph by state statute the city would have to conduct a traffic safety engineering study to determine if the speed limit should be changed. The Chief was asked to look into the cost of speed cameras that take pictures of license plates and laws regarding the decibels. The officers will be enforcing the exhaust violations because in the State of Wisconsin it is illegal to modify a manufactured muffler. John Street is a designated truck route.

Motion by Ald. Schmidt, second by Ald. Toellner to table this discussion to next month's Public Safety meeting. Motion carried unanimously.
