Don Neitzel noted that the studies from the police department showed that speed was not a problem while the traffic monitor was there. Don commented that he had contacted the City Attorney to discuss possibilities and an easement was suggested. Discussion ensued that it is really not a thru street. Don did question Bonnie Okon if someone had recently hit her retaining wall as it looked like it had been hit again. Bonnie noted that it had just been hit yesterday. Don Neitzel did suggest that Bonnie attach reflectors to her retaining wall. Don noted that guard rails are really needed. Discussion of one way ensued. It was noted that this would require an ordinance change. Ald. Redeker also commented that the speed limit needs to be dropped to 15 mph. Mayor Moede noted that the average speed from the monitor was 16 mph. Motion by Ald. Pasbrig, second by Ald. Mastalish to look into an easement. Motion carried unanimously.
