Citizen Comments.

Terri Metzger, 156 North German St. Terry wants to block the street by Washington Street for a block party in order to get to know their neighbors. The party will be July 15th from 3pm until 10-11pm. The barricades will allow emergency vehicles to get through if needed and will also allow people out of their driveways. They have done this in the past. She also had concerns regarding the timing of the stop and go lights on Main and Bridge as only 1 car can though. She starts work at 3am and has almost got rear-ended twice because people are trying to beat the yellow light. Mike Kurutz said the lights are programmed and triggered from North & South. Captain Vossekuil hasn't had complaints. They will take looked at them.
