- **Staffing Levels:** Everything is Okay. No Changes.
- **Training:** Mayville's EMS will be conducting an Every15 Minutes Program on May 2 & 3rd 2012 at the Mayville High School. The Mayville Police and Fire Dept., Flight for Life and other agencies will also be participating. Life's lessons are best learned through experience. Unfortunately, when the target audience is teens and the topic is drinking and texting while driving, experience is not the teacher of choice. The Every 15 Minutes Program offers real-life experience without the real-life risks. This emotionally charged program is an event designed to dramatically instill teenagers with the potentially dangerous consequences of drinking alcohol and texting while driving. This powerful program will challenge students to think about drinking, texting while driving, personal safety, and the responsibility of making mature decisions when lives are involved. For more information about the program go to: www.every15minutes.com
- **Resignations/Vacancies:** None.

5. Convene in Closed Session Pursuant to Wisconsin Statutes 19.85 (1) (c) considering employment, promotion, compensation or performance evaluation data of any public employee over which the governmental body has jurisdiction or exercises responsibility.
