### 2. Old Business:

Accept minutes of the February 22, 2010, meeting.

Motion made by Leder, second by Kern. Motion carried 5-0.

### 3. Citizens Comments:

Laurie Bellino addressed the Commission stating that during the February 2010, meeting she presented a complaint to the commission about the Police Department. At the time she did not file a formal complaint. She stated that she didn't file the complaint because she felt it would be held against her being approved for a liquor license. The Commission members assured her that filing a citizen's complaint was her right, and it would not have any bearing on the liquor license application process. She had a completed complaint form with her. Mike Schmidt, President of the Commission, suggested Ms. Bellino submit the complaint to Captain MacNeill, which she did.

### 4. New Business:

#### A. Fire Department:

I. New Employee Status: The two new members are enthusiastic and doing well. Eight firefighters are enrolled in first responder training in Kekoskee.

#### B. Police Department:

I. Staffing Update: Vacation scheduling is completed for the year. All officers have completed their in-service for the year. Captain MacNeill submitted a grant to the Federal Government last year for funds to support wages and benefits of two officers for three years. The grant was denied. He plans to submit another application this year. He is checking to determine if he will be required to complete a new application or can resubmit last year's.
