RESULT:	TABLED [UNANIMOUS]
MOVER:	Bob Smith, Chair
SECONDER:	Dale Toellner, Aldersperson
AYES:	Smith, Forster, Toellner

CITIZEN COMMENTS

None.

MONTHLY UTILITIES REPORT

Courtney gave report.

Water Distribution System Update

Well #2 is in service. They are gathering all of the bill information to submit it to insurance. They will be hosting safety training.

Wastewater Treatment Plant Operations Update

They are close to recovering from a concentrated vinegar spill that came from Old Fashioned Foods. It was a coincidence that they found out who spilled it. They are working on manholes. There have been a lot of issues due to an aging system.

She was questioned about the lechate study. It is still in the works.

Date and Time of Next Water & Wastewater Commission Meeting is August 4, 4 P.M. at City Hall

MONTHLY ENGINEERING & PLANNING REPORT

No report.

MONTHLY DPW REPORT

Sara read Jack's report:

1. Henninger Street Curb—poured about 20ft of curb on Hennniger due to resurfacing project
2. Sidewalk—replaced sidewalks on Breckenridge by malt house grounds

3. Catch Basin on Kekoskee Street—catch basin collapsed and is now repaired.
4. Bulk Drop-Off—extremely busy again. Last Saturday of the month.
5. Brush Pick-Up—got that done today. still the 2nd and last Monday of the month
6. Trees at Wastewater—taking down trees at wastewater as we have time and also the ones by the fire dept.
7. Street Sweeping—going out tomorrow again. The new sweeper is fantastic!
8. Lawn Mowing—once per week mowing all
9. Highway 67 Culvert Project—should be wrapped up today. The patches will be part of the resurfacing.

MONTHLY PARK REPORT

Sara read John's report.

Building Report

All buildings and shelters are back being rented again. We had a large softball tournament that used all our fields last weekend. Restaurants and businesses were busy because of the extra people in town from the tournament. Most weddings at the pavilion have been rescheduled for later this year or next year. We are booking smaller parties at all our buildings in place of these weddings right now. Bernhard plumbing is going to be fixing our leaking gas line at the Pavilion in the near future.

Grounds Report

All the parks are in good shape with the foot traffic being way up from people using the parks. The kayaks have continued being really popular. They are being used every day by all. We have had a lot of equipment and vehicle break downs this summer, most of the repairs have been done in house which has kept the costs down.

Parks Projects

The lights started being installed today on the footbridge by the Pavilion and should be done tomorrow. We then have a little painting to do along with prepping the deck for staining. Once the deck is stained the bridge will be done and should look great.

Date and time of the next Park Board Meeting is Tues Aug 11th 6:30 pm at Theiler Park Shelter.

ADJOURNMENT

Motion by Ald. Toellner, second by Ald. Smith to adjourn at 7:02 p.m. Motion carried unanimously.

Sara Decker, City Clerk
