CITIZEN COMMENTS

Joseph Riese 505 Grove Street-He has been paying attention to the budget process and how it impacts every citizen of Mayville. Some people have young children and everyone has bills. He believes that some items can be postponed to a later date as we are uncertain what 2021 will bring. He doesn't think it justifies raising the tax levy. He also believes we should discontinue using fluoride.

DISCUSS/APPROVE 2021 BUDGET ITEMS

Contributions: Chamber of Commerce

The Chamber sent over a budget and are requesting \$5,000. The city is already having to borrow money to make up for the short fall in state aids. Ald. Olson questioned other years that there was a contribution. The money went back to the Parks Department when they stopped doing Audubon Days. They Mayor believes it should be re-evaluated next year.

Motion to review it next year.

Utility Budget

They mirrored this budget after last years. There are a lot of new employees, so they did what they could in a COVID year. Ald. Smith noted that it was approved by the utility commission. The budget has always been presented in a way that is confusing. They recommend next year they relook at how it is done.
