

**PUBLIC NOTICE  
GARBAGE/RECYCLING COLLECTION  
CITY OF MAYVILLE**

NOTICE IS HEREBY GIVEN that the City of Mayville has mutually terminated the garbage and recycling contract with Waste Management as of June 30, 2021.

GFL Environmental will assume the new collection contract as of July 1, 2021. Dates of collection will remain unchanged with trash being collected every Monday and recycling being collected every other Monday according to the schedule.

**Waste Management will be collecting old cans starting Monday, June 28<sup>th</sup>.** Please leave garbage and recycling cans at the curb beginning Monday.

**GFL will begin distributing new cans starting Tuesday, June 29<sup>th</sup>.** All cans will have a flyer in the inside cover with the collection schedule and information. Depending on routes, new cans may be dropped off in front or back of residence. This does not mean the garbage collection location will change. Place full cans in the location in which they have routinely been collected.

Be aware that collection and distribution of old and new cans may take a couple of days.

The monthly contract rate will be \$13.68 per household unit. Charges will be applied to the water utility bill beginning in August.

Any GFL collection issues can be reported to GFL directly at (920)387-0987. Any further questions, please call City Hall (920)387-7900 x 1203.
