**OTHER ITEMS OF DISCUSSION/POSSIBLE ACTION**

**Discuss with Possible Action Resolution Regarding Essential Right to Earn**

Ald. Riese put this on the agenda. Sara discussed it with Claire. Ald. Smith agreed with the League of Municipalities that it was unnecessary and preemptive. He doesn't believe we can make a resolution saying we don't like what the governor is going to say before he does it. Ald. Riese wanted to clarify. This isn't preemptive legislation. He strongly disagrees with Attorney Silverman. It is the city saying that if this happens again, that we have your back if someone says you are not an essential worker. We have the ability to make it pending legal review. Some people were out of work or had to shut their doors. This is a preemptive call to action. Ald. Smith questioned what would have happened if we would've had this in place. Sara clarified the unlawful delegation of legislative authority. They can't tell the next Council what they can or can't do. The Council can pass any resolution, but whether it would hold up in court is another story. Ald. Riese still disagrees. Attorney Silverman noted that you don't know what is going to happen in the future. Ald. Frings believes it's a redundancy and does not recommend it.

No motion.
