

**PUBLIC NOTICE  
CITY OF MAYVILLE  
LEAF PICK UP – 2022**

NOTICE IS HEREBY GIVEN that the City of Mayville will begin curbside leaf pick up on Monday, October 3, 2022. Residents are asked to rake their leaves to the terrace for pick up. The terrace is the area between the sidewalk and the street. Raking leaves around obstacles such as street signs, hydrants and power poles should be avoided. Leaves are **not** to be raked into the street. Do **not** mix leaves with brush. Curbside leaf pickup will end when volumes diminish or freezing conditions no longer allow pick up with our vacuum equipment. If citizens choose, they may dispose of their leaves and other compostable yard waste at the designated site behind the City Garage at 610 Horicon Street. Bags and containers used to transport leaves and yard waste cannot be left at the drop off site.

Jack Hurst  
Director of Public Works
