

RESOLUTION

Resolution 5864-2023: Award Bid Contract to Kruczek Construction

WHEREAS, the City of Mayville did solicit for the 2023 Street & Utility Reconstruction Project proposals. Sealed bids were opened on Tuesday, March 21, 2023 and the following proposals were received:

Company	Alley Street - Base Bid	Alley Street - Alternate #1 Bid	Metalcraft Plant Site - Base Bid	Metalcraft Plant Site - Alternate #2 Bid
Kruczek Construction Inc., Green Bay, WI	\$372,385.00	\$94,771.00	\$203,615.00	\$78,961.00
Woleske Construction Company, Inc., Madison, WI	\$395,412.25	\$113,612.30	\$204,637.40	\$104,393.46

WHEREAS, it is the recommendation of the Water/Wastewater Commission to select Kruczek Construction Inc. for the Alley Street - Base Bid of \$372,385.00 as well as the Alley Street - Alternate #1 Bid for \$94,771.00, and;

WHEREAS, it is further the recommendation of the Water/Wastewater Commission to select Kruczek Construction Inc. for the Metalcraft Plant Site - Base Bid of \$203,615.00. That the Water/Wastewater Commission did not approve the Metalcraft Plant Site - Alternate #2 option, and;

NOW, THEREFORE, BE IT RESOLVED the Common Council of the City of Mayville does hereby approve the above recommendation of the Water/Wastewater Commission.

Passed by the Common Council of the City of Mayville this 11th day of May 2023.

John Guinn
Mayor

**Re: City of Mayville – 2023 Street & Utility Reconstruction
Construction Contract Award – Recommendation**

Dear Ms. Gonstead:

Please find accompanying this transmittal the “Bid Tabulation” for the 2023 Street & Utility Reconstruction Project that was bid on March 21, 2023. There were two (2) bids received for the project ranging from \$576,000.00 to \$600,049.65 for the base bid. There were also two (2) alternates that were bid as part of this project as well, with bids ranging from \$94,771.00 to \$113,612.30 for Alternate #1, and \$78,961.00 to \$104,393.46 Alternate #2. Alternate #1 would loop the watermain from the south end of Alley Street over to Springbrook Court and Alternate #2 would replace the existing watermain that goes underneath the abandoned railroad bed south of Metalcraft which eventually goes out to Hwy 28/67.

As is evident, Kruczek Construction Inc. from Green Bay, Wisconsin submitted a low combine base bid in the amount of \$576,000.00. Kruczek Construction Inc. also submitted the low bid for each of the two alternates.

Therefore, based upon our review, analysis of the contractor’s past work efforts, and discussion with Utility Department staff, we hereby recommend that the Mayville Utility Commission and/or the Mayville Common Council award a construction contract to Kruczek Construction Inc. from Green Bay, Wisconsin for 2023 Street & Utility Reconstruction Project in the amount of \$576,000.00. Furthermore, the Utility Commission and/or City Council should discuss and consider the award of Alternate #1 in the amount of \$94,771.00, which would loop the watermain from the south end of Alley Street over to Springbrook Court.

Anastasia, should either you, the Mayville Utility Commission, or the Mayville Common Council have any questions or comments regarding this transmittal, please feel free to contact me at your convenience.

Sincerely,

KUNKEL ENGINEERING GROUP

Don Neitzel, G.M.
