CITY OF MAYVILLE PRESS RELEASE

At 6:29 p.m. May 15, 2025, the City of Mayville Mayor, Rob Boelk, has declared a State of Emergency. The south side of the city has undergone substantial damage from a potential tornado. Residential homes and factories have sustained significant destruction. At this time, the city is not aware of any injuries. Alliant Energy is on the scene to disconnect gas and electric services. Residents displaced in the area should go to the TAG Center for shelter and assistance from the Red Cross. Everyone should avoid the area south of Horicon Street to allow Public Works and Emergency Services to provide aid and to clean up debris. It is unknown how long it will take to complete cleanup efforts. We ask anyone that works on the South side of the City of Mayville to contact their employer.
