CITY OF MAYVILLE COMPREHENSIVE OUTDOOR RECREATION PLAN PUBLIC SURVEY

You're invited to help shape the future of parks and recreation in Mayville

PUBLIC ONLINE SURVEY APRIL 19TH - MAY 6TH

You are invited to take part in a community survey to provide key upfront input in the development of the City's 5-year Comprehensive Outdoor Recreation Plan.

The survey is open to the public from April 19th through May 6th.

WHAT IS A COMPREHENSIVE OUTDOOR RECREATION PLAN?

The City is currently working on its 5-year update of the Comprehensive Outdoor Recreation Plan. The purpose of the Plan is to identify and prioritize the City's existing facilities, assets, and areas of needed improvement, in addition to future park and recreation needs. The document also contains topic-specific goals, objectives, policies, and recommendations, as well as a community-wide vision and action plan to help prioritize future implementation projects. By completing this plan every 5 years, Mayville retains eligibility through the Wisconsin Department of Natural Resources to apply for matching state and federal grants.

Whether you live, work, play, or own property in the City of Mayville, now is your chance to participate in shaping the future of the community.
